Excel, Canva, Figma, C/C++, Communication, Stakeholder Management

Projects

Mangonel Demonstration	Engineering Design
• Grasped engineering object geometry and created dimensioned drawings using AutoCAD.	
• Simulated trajectories of a mass with & without aerodynamic drag, optimizing projectile motion.	
• Evaluated the “Mangonel” design for structural & functional performance.	
Caregiver Service	Business Model Development
• Created a comprehensive business model around caregiver services.	
• Gained experience in designing business models and understanding various models.	
Supervised Buggy Design	Arduino Project
• Built a buggy using Arduino Uno, Zigbee, and Eagle software, integrating electronic circuits and programming skills.	
• Developed optimization & debugging techniques.	

Positions of Responsibility

Executive Committee - Outreach	TEDxTIET
• Part of a team that revitalized TEDxTIET, held a conference with eight notable speakers, including Gaurav Juyal, Sameep Shastri, Rahul Easwar, and others.	
• Handled a team of around 20 odd members	
• Managing Diverse Responsibilities: Event planning and management, speaker curation and communication; maintaining a good rapport with the speakers	
Core Member	SATURNALIA '23
• My role primarily focused on outreach efforts aimed at engaging college students nationwide to participate in intercultural events. This encompassed liaising with various institutions, managing their hospitality arrangements, and overseeing logistics to ensure smooth participation experiences.	
• Additionally, I played a key role in conceptualizing, planning, and organizing a range of cultural and technical competitions tailored to the interests and talents of participants.	
Department Head - Public Relations	URJA '24
• Led a dynamic PR team of 40 odd members in executing innovative communication strategies, effectively managing crisis situations, and maintaining a positive public image for URJA'24 (Thapar University's Annual Sports Fest).	

- Fostered strong social media relationships, resulting in widespread coverage and recognition for URJA' 24 events.
